

LOCTITE®

Used Equipment Catalogue Winter 2018-19

Save Big On Our Most Popular Technology!

Whether your line needs cutting edge LED technology or the most robust ultraviolet spectrum, we have what you need to make your production a success!

We have taken a close look at what our customers applications demand, and we are in turn offering steep discounts on some of our most popular value-added equipment solutions.

Complete your line with our workhorse D-Series robots and any one of our industry-tested integrated semi-automatic dispensers or pressure/time delivery systems.

Take advantage of these discounted items that have seen usually only demonstrational use and maintain our solid Loctite 1year warranty!
